資料Ⅱ

How to write Research record and Research plan

Research record

- Write in Japanese, either handwritten or typed, use A4-sized paper.
- You may write on it as much as you would, but the 3 points below should be included:

① Published thesis which refereed

Title/name of author(s)/name of journal/publisher/published year/number of /presented page number

② Academic conference presentation in Japan

Title/name of speaker(s)/name of conference/place/poster or oral presentation/date of presentation

③ Academic conference presentation out of Japan

Title/name of speaker(s)/name of conference/place/poster or oral presentation/date of presentation

- If you have not achieve any records because you are in 1st grade of master's course, you may write about your thesis for undergraduate.

If you have nothing to represent, you should only circle “無” in application (Form No. 1).

Research plan

- Give an overview of your research.
- You must summarize it in 1 page of A4-sized paper.
- Write in Japanese, either handwritten or typed. Any graphs and diagrams can be presented on it.
- Explain your research theme in easy way so that people who doesn't know the research area well can understand what you would study.
