

## Special Lectures in Agricultural Science (Japanese)

UGAS common course	1 Credit
<p><b>Brief description</b></p> <p>&lt;Objectives&gt; Students are expected to gain a broad range of expertise by attending lectures given by researchers from different universities across Japan.</p> <p>&lt;Lecture outline&gt; Researchers from 17 constituent universities of the six united graduate schools of agricultural sciences in Japan present lectures in English. The lectures are given through the satellite lecture system and students can take the course at each constituent university. (90 min. 12 classes. (3 day)) Students can take the course at each constituent university. Details of the classes will be announced to students by the UGAS Website soon after the details are determined. See also the UGAS Website.</p>	
<p><b>Grading</b></p> <p>One credit is granted when students attend and submit reports for 8 classes or more. Evaluation will be based on the attendance record and written reports on the topics given during the lectures.</p>	
<p><b>Special instruction</b></p> <ul style="list-style-type: none"> <li>* When attending classes, make sure your attendance is recorded in each constituent university.</li> <li>* Eight classes should be taken within one academic year and requirements for earning credits should be met. <b>Note that credits are not granted if students take eight classes in more than one academic year.</b></li> <li>* Students must write one report for each lecture attended and submit it electronically as an attached file to the UGAS office by the due date.</li> </ul>	

### The flow after the Special Lectures in Agricultural Science
