

TOEFL iBT[®] Skill up Seminar

The TOEFL test is the most widely accepted English-language assessment in the world for non-English speakers. The TOEFL iBT test comprehensively measures an individual's listening, reading, speaking and writing skills.

For prospective TOEFL iBT takers who would like to know the following "What is the TOEFL iBT?", "I don't know how to study to improve my TOEFL iBT score.", or "I want to know a more effective way to learn English.", a TOEFL iBT Skill up Seminar will be held at Iwate University.
