Additionally, students will have to pay for their lunches for the second day (October 6, 2024).

- * Participation fee is subject to change.
- * Cancellations made at the last minute (e.g., the day before) may still incur charges even if you do not attend.
- 6. No. of participants: About 15 students.
 - * The total number of students may be adjusted if significantly exceeded.

7. Participation Procedure:

Please answer the registration form below.

Registration Form: https://forms.gle/gY6SiK1hmsFyKE776

Application deadline: August 7, 2024 (Wed) by 17:00 hrs.

8. Travel Expenses [Only for students who belong to Hirosaki and Yamagata University]

Students assigned to **Hirosaki University** and **Yamagata University** will be provided with transportation expenses (land route calculation) and accommodation expenses for the previous night (i.e. October 4, 7,800 yen for one night) after the implementation.

- (1) Transportation costs (land route calculation) are based on the shortest distances (including calculating the cheaper itinerary) by comparing "from home to meeting place" and "from assigned university address to meeting place". The calculated amount will be subsidized to the students. If you use your private vehicle, travel expenses, including accommodation fee, will not be paid.
- (2) Please make your own arrangements for tickets and accommodation for the night before (Friday, October 4, 2024). Please note that participants are required to submit a receipt or an accommodation certificate showing the name of accommodation/hotel facility (with the accommodation facility seal) and the name of the person staying at the facility.
 - * We will not pay any transportation and accommodation fees for the night of October 4 to the students affiliated with Iwate University.

9. Notes

- \bigcirc There is no subsidy for the participation fee (9,000 yen).
- 2 Please note that changes such as attendance after submitting the course registration are not permitted unless it is unavoidable.
- 3 Since you will be staying at a local guesthouse, lodging will be in shared rooms with other students (Men and women in separate rooms). The bathrooms will be shared by other men and/or women (no

individual shower available).
